

CorneaPack

Pre-Qualified

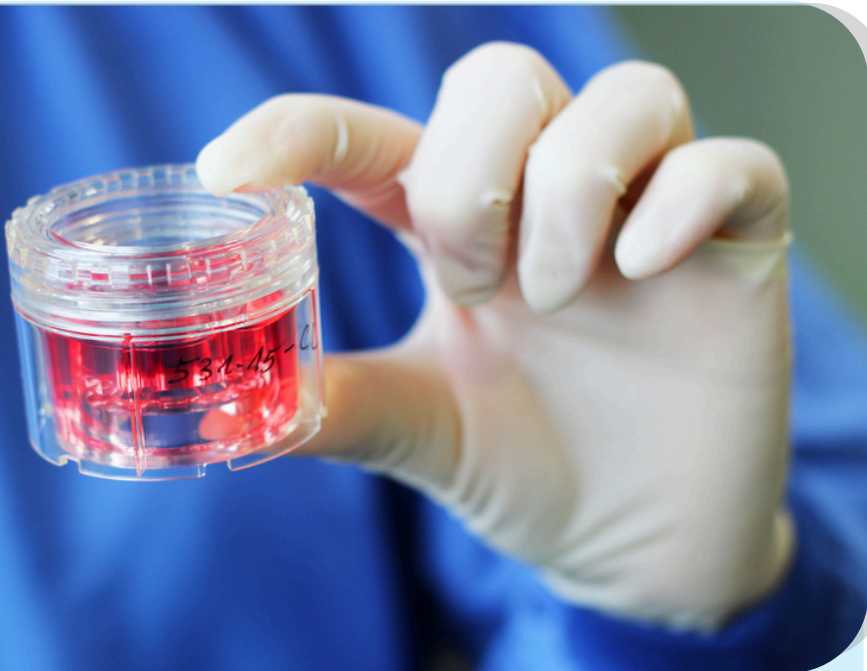

Low Total Cost

High Performance

PROTECTING THE GIFT OF SIGHT WITH PRECISION, PERFORMANCE, AND SUSTAINABILITY

- **Unmatched Temperature Control:** Maintains precise 2-8°C temperature for up to 72 hours, ensuring safe arrival of corneas during domestic and international shipments.
- **Sustainable Design:** Eco-friendly with a low carbon footprint, featuring curbside recyclable materials and reduced shipping costs.
- **Efficient and Cost-Effective:** Knock-down-flat design reduces storage space and shipping expenses.
- **Eye Bank-Friendly:** Easy to implement with minimal process impact.
